

NSWRL INCLUSION CHAMPIONS SEMINAR

As part of the Australian Pride In Sport Festival, the NSWRL will run a FREE Inclusion Champions Seminar with an LGBTQ+ Pride Focus. The seminar will provide NSWRL Inclusion Champions with Ally training and an introduction to the NSWRL Inclusion Active Allies and Inclusion program.

Following the seminar, participants are invited to stay to experience the NSWRL's annual Inclusion Gala Day which brings together people of all abilities, genders and cultural backgrounds to showcase the different formats of Rugby League in a series of fun Rugby League activities and activations, including Pass the Ball competitions, a Goalkicking challenge, an NRL Inflatable, and a Gamezone.

The day will also include exhibition games for the NSW Physical Disability Rugby League Association, local Try Time clubs for children, adults and teenagers with special needs and intellectual disabilities, and a League Tag match. It will open with a Welcome to Country and finish with a walk through of the tunnel to Accor Stadium, as used by the Westpac NSW Blues for State of Origin games.
