

TRUE BLUES TARGET MASTER

9-letter Clue: (two words) - True Blue (first name and surname) involved in an iconic Origin moment.

How many words of four letters or more can you make from these nine letters? Each letter (that isn't a double e.g. k, m, g, y, a) may be used only once. Letters that appear twice (e and r) can both feature in a word. The centre letter must be included in every word.

No slang, foreign or capitalised words, hyphens, apostrophes or plurals ending in 's'. Only one form of a verb can be used, e.g. ring, but not rings or ringing.
