## **NSW Rugby League Club Licensed On-Field Kit Supplier and New South Wales Touch Association Apparel Licensing Program**

New South Wales Rugby League (NSWRL) and New South Wales Touch Association (NSWTA) are currently seeking offers from experienced, relevant and socially responsible companies for the purpose of appointing eight (8) suppliers for the NSWRL Club Licensed On-Field Kit Supplier and the New South Wales Touch Association Apparel Licensing programs, with potential for up to two (2) additional suppliers for the NSWTA program only.

The NSWRL Club Licensed On-Field Kit Supplier program covers all Junior League Clubs who participate in Local District Competitions and NSWRL Senior Competitions in metropolitan and regional NSW. The NSWRL program is state-wide program.

Under the terms of the NSWRL Club Licensed Kit Supplier Program, only Officially Licensed Suppliers by the NSWRL will be permitted to produce playing kit (Jersey, Short, Socks) worn within a NSWRL Club/Affiliated Association and/or District (*Appendix A*) with all playing kits to feature the NSWRL approved logo (*Appendix B*).

*For the avoidance of doubt, the request for proposals regarding the Junior Club On-Field Kit Supplier category does not include any NSWRL Representative teams, including, without limitations, the NSW State of Origin (Men's and Women's), NSW Residents, Under-18's, Under 16's, Indigenous Teams, City Teams.*

New South Wales Touch Association is the official body for Touch Football in NSW and it is the role of the organisation to develop and grow Touch Football throughout NSW.

Official NSWTA licensees will be permitted to affix the NSW NRL Touch Football approved logo (*Appendix C*) on apparel items of affiliates, club teams, regional teams and NSWTA recognised entities (*Appendix D*) participating in NSW NRL Touch Football affiliated matches/ competitions (*Appendix E*).

NRL Touch Football NSW is the brand name of NSWTA. The NSW NRL Touch Football logo is a registered trademark of the Australian Rugby League Commission (ARLC). The ARLC grants NSWTA full permission under this program to manage the rights of this IP on their behalf under the strategic partnership agreement between the ARLC and Touch Football Australia.

Further to the NSWTA Apparel Program, there may be an opportunity for selected suppliers to implement event merchandising at key NSWTA events via through the Official NSWTA Merchandiser. This would be managed via a separate commercial agreement with NSWTA.

Moving forward, New South Wales Rugby League and New South Wales Touch Association will be centrally managing their community-based licensing and apparel programs. As such this Request for Proposal (RFP) will cover both programs.

Proposals will be judged according to their full and concise response to this document. The NSWRL and NSWTA will not be obliged to accept the highest financial offer and applicants should be aware that no terms that seek to restrict, in any way, the discretion of either organisation in the proposal process will be accepted.

Once made, no offer may be withdrawn by the applicant while it remains open for acceptance by NSWRL and NSWTA. No offer shall be contractually binding until it is incorporated into a formal contract signed by the NSWRL and NSWTA.

NSWRL and NSWTA makes no representation or warranty that this document provides all of the information required by your company and encourages applicants to make their own queries and assessments. Any costs incurred by applicants in the preparation and submission of bids or otherwise in connection with this document will be borne by the applicant.

Applicants are required to treat this document with due confidentiality and all bids and information outlined in each proposal will remain confidential.

### **Process and Timetable**

The timetable for the process will be as follows:

- **Friday 22<sup>nd</sup> October 2021: RFP document issued**
- **Friday 19<sup>th</sup> November 2021 at 5.00pm AEST: Proposals to be received by NSWRL/NSWTA**
- **Friday 3<sup>rd</sup> December 2021: NSWRL/NSWTA opportunity to clarify any aspects of proposals received**
- **Monday 20<sup>th</sup> December 2021: Successful applicants will be notified**

A representative on behalf of NSWRL and NSWTA, Velocity Brand Management (VBM), will be available to answer any queries regarding the proposal. Please submit any queries (in writing initially) to the attention of James Ashworth – VBM – [jashworth@vbmglobal.com](mailto:jashworth@vbmglobal.com)

All proposals will be reviewed and processed before presenting a recommendation to both organisations for approval.

The evaluation criteria will include:

- Financial appeal of the offer
- Track record
- Reputation and financial strength
- Product quality, vision and innovation
- Level and quality of resources to be allocated
